1 SECTION 12 PAGES

**JAWS OF LIFE**—These firemen are demonstrating the portable power rescue tool known as Jaws of Life which the Hancock County Firemen's Association reports is desperately needed here. The rescue equipment could have been used to more quickly extricate accident victims in Hancock County on at least three occasions in the past several weeks. The association has collected \$2,180 in cash and pledges in its current drive to secure Jaws of Life for Bay St. Louis, Waveland and Diamondhead fire stations. Jaws of Life cost some \$4,600 each.

## Longo versus DiSalvo

# Rappold to run against Johnson

By RICH ADAMS  
Waveland City Clerk Barbara Rappold said she has qualified to run for the City's First Ward Council seat. She will run against incumbent Charles Johnson in the November 7 general election.  
Waveland Mayor John Longo Jr. will be opposed by Louis A. DiSalvo for the mayoral position.  
Incumbent Councilman Albert Grass will face Jack Toomey for the Second Ward councilman's position.  
Daniel Campion, Third Ward councilman incumbent, will be opposed by Louis Smolenski for that post.  
Herman Yarborough, Fourth Ward councilman, will run unopposed.  
Rappold said the five members of the Waveland Democratic Executive Committee have qualified for reelection and are unopposed for those posts. They are Claire B. Clements, Beverly

Zimmerman, Ruth Meilleur, Dorothy Hubbard, and Cliff Vogt.  
Biloxi attorney Vincent Sherry announced his withdrawal as an independent candidate from the Second District Circuit Court judgeship race. His name will be withdrawn from the official general election ballot, a spokesman from the Harrison County Elections Commission said Thursday.  
Sherry filed a petition September 7 to enter the judgeship race against Democrat Kosta Vlahos and Republican Jim W. Rose.  
Although the commission has received no official notice from Sherry, Charles A. Gillis of the election commission said Sherry is pulling out of the race.  
Also during the November elections, voters will cast ballots on six current Mississippi Senate resolutions

# Bayou Cadet basin project snagged on spoil disposal

By LESLIE WILLIAMS  
Selection of a site for dredge material from a proposed Bayou Cadet mooring basin came to a standstill at a hearing in Hancock County Port and Harbor Commission offices Friday.  
A location for the spoils is needed if the proposed anchorage basin and maintenance of an existing channel are to

be approved by the U.S. Army Corps of Engineers.  
Port and Harbor Commission Director Wilson Webb said he concurs with Paul T. Smith, supervisor of the U. S. Fish and Wildlife Service, in his suggestion to halt negotiations for a site temporarily, and go back to research alternative sites for putting the dredge material.  
"What we need to do," emphasized Smith, "is to negotiate a middle ground between economic interests and environmental interests."

"The situation is this," Port and Harbor Commission member David McDonald explained, "we have wetlands and semi-wetlands as possible locations to place the dredge material and environmentalists object to dredge material being placed here."  
Smith said, "Wetlands provide food for approximately 90 to 95 percent of the fish caught in the area, either directly, or by providing nursery and breeding grounds." Wetlands also prevent pollution, he added.  
"On the other hand, the en-

vironmentalists have no objection to upland sites to be used for placing dredge material, continued McDonald.

BAYOU CADET—Page 4

## Search for fisherman continues

The search for a Slidell man believed to be drowned continued with no new developments late Friday, Hancock County Civil Defense Director Robert Boudin said.

According to Boudin, U. S. Coast Guard search teams have abandoned the attempt to find George W. Nelson, 57, whose empty boat was discovered by Bay St. Louis policemen Wednesday off Beach Boulevard at Our Lady of The Gulf Catholic Church.

Bay St. Louis and Waveland police and fire departments continued to aid Civil Defense in the search.

"We've searched all over the Bay area and the Jourdan River, but have found no sign of a body yet," said Boudin.

Officials reported finding Nelson's personal belongings, including his pants, a wallet and life jacket in the boat when it was discovered.

## Council reduces assessments

By LESLIE WILLIAMS  
Assessments were lowered for two Waveland property owners at the Waveland City Council meeting Wednesday.  
Don Miller asked members at the Council meeting to reduce the estimated value on his land and buildings for 1978 from \$7,500 to \$5,050.  
The Council unanimously agreed to comply to his request.  
Assessments on property owners land and building are used to determine property owners ad valorem taxes.  
Miller said he didn't think his assessment was fair because other houses on Lafitte Drive, equal in value, received a lower assessment.  
Miller asked the Council to reduce his assessment to equal the highest assessment reported on Lafitte Drive.  
The Council increased his land from \$500 to \$550 and decreased his improvements from \$7,000 to \$4,500.  
The Council also lowered Marion Kennair's total assessment for 1978 by \$200.  
Kennair's total assessment was lowered because she had sold two thirds of her property and the assessments for 1978 did not indicate a decrease for the sold property, said Waveland Mayor John Longo.  
"It was an erroneous assessment in the first place," said Longo.

## Wrinkles ironed out at disaster critique

By ELLIS CUEVAS  
A critique was held Thursday at Civil Defense headquarters on the "make believe" plane disaster exercise held on Sept. 28.  
All agencies represented were in agreement that a railroad overpass or underpass is in dire need, one in Bay St. Louis and another in Waveland.  
Civil Defense firemen, police and medical personnel feel it is necessary for the safety of all residents of the area and as one medical person said "could mean the difference of a life" in everyday emergencies.  
Civil Defense director Robert Boudin was moderator for the group. All agencies reported everything went well with the exception of a few points

needing minor improvements.  
A need for better communications between police, firemen and Civil Defense was suggested. It was also recommended that in case there ever was a true disaster, a mobile headquarters should be set up at the scene.  
Harry Gilmore, administrator of Hancock General Hospital, wanted to know who could give authority to treat minors in case of a disaster involving them if their parents were not available. A check was to be made with the local juvenile referee.  
Boudin thanked each person there for their efforts in making the "Make believe" disaster rescue a success.

## Shotgun blast, robbery under investigation

By RICH ADAMS  
A night-time burglary of a clothing store in Waveland netting \$2,200 worth of merchandise and an unrelated early morning shotgun blast fired at the front door of a Pearlington grocery store last week remain unsolved by local law enforcement officials.  
Waveland Police Chief Donald Dorn reported Dave's Frontier and Feed Store on US-90 was broken into last weekend and \$2,200 of clothes, boots, belts, jackets and knives were taken.  
"We're working on this case and it is under investigation," said Dorn.  
Robert Tartavouille, Waveland police investigator, is handling the investigation, according to Dorn.  
The Hancock County Sheriff's Department is investigating a case of a shotgun blast fired into the front door of

B&W Grocery Store in Pearlington.  
According to the store's owner W. E. Burke, he and his wife were eating breakfast in the rear of the store when a vehicle drove by and fired what deputies believe to be a 12-gauge shotgun blast into the front door.  
Hancock County Sheriff Sylvan Ladner's Chief Deputy Ronnie Peterson said.  
"I can see no motive for the shooting. These people have operated the store for a long time. We have no leads whatsoever in our investigation," said Peterson.  
"We've questioned some people, and we have more to question," he added.  
Officers investigating the case are Peterson and Deputies Ronnie Cuevas and Delbert Seay.

## News Briefs

**BLOOD BANK**  
The Hancock County Blood Bank will have its regular drawing on Wednesday, Oct. 11, from 2 to 8 p.m., at the Bay St. Louis American Legion Home.  
As is usually the case at each drawing time, and more particularly this one, since the previous drawing was off, blood supply is critically low. "We know you fully understand the importance to the life and health of our community to have blood available at all times, and we need your help," said J.D. Rutherford Jr., Blood Bank Chairman.  
**PRESIDENT SPEAKS**  
President Carter's 1978 White House message on the United Way campaign will be broadcast on the CBS-TV network (Channel 4) at 9:53 p.m. Wednesday following the Wednesday Night Movie, and again on the ABC-TV network (Channels 8 and 13) at 9:55 p.m. Sunday, October 15, following the Sunday Night Movie.

At well, it was worth waiting for

## OBITUARIES

**MRS. FRANCES NOESGES.** Miss. Frances Noesges, of Dubuque, Iowa, died October 2 in Dubuque where funeral services were held Thursday. Miss Noesges resided in Bay St. Louis in the home of Mrs. Lucille P. Weeks for 27 years prior to returning to Iowa.

**JAMES "DOC" ROLAND SR.** James Clarence "Doc" Roland Sr., 93, a resident of the Gulf View Haven Nursing Home in Bay St. Louis, died Thursday, October 4, 1978. A graveside service was held

Friday in the Cedar Rest Cemetery at Bay St. Louis. Mr. Roland, a retired pharmacist, resided in Bay St. Louis for more than 60 years. He is survived by his wife, Mrs. Ernestine Boardman Roland of Bay St. Louis; a son, J.C. Roland Jr. of Kenner, La.; a brother, Harry Edward Roland of French Settlement, La.; two grandchildren; and three great-grandchildren. Edmond Fahey Funeral Home in Bay St. Louis was in charge of services.

## Rural student loans carry low interest

The Mississippi Rural Rehabilitation Corp., which administers several loan programs for rural families, has announced the availability of funds for educational loans to rurally oriented college students.

The loans will carry a four percent interest rate while the student is in school and seven percent following graduation. Applicants will be required to obtain a recommendation from their faculty adviser and endorsement of the note by a

parent. Application forms are available at the Office of Financial Aid, 101 Magruder Hall, P.O. Drawer AB, Mississippi State, 39762.

Additional information may be obtained from the Miss. Rural Rehabilitation Corp., 1402 Standard Life Bldg., Jackson, 39201, telephone 355-2373; or the Oktibbeha County Farmers Home Administration Supervisor, telephone 323-4262.

**MADAME CURE** - Jane Lapointe plays Marie Curie in a five-part public television dramatization of the life and work of the discoverer of radium and two-time Nobel Prize-winner. Marie Curie can be seen at 7 p.m., Wednesdays, beginning October 11, on the Mississippi TV Network.

## Military Mention

**SGT. W.C. YARBOROUGH.** Sgt. Walter C. Yarbrough, son of Mrs. Lois M. Yarbrough, 813 View St., Waveland, is participating with other American and allied troops in REFORGER '78, NATO's largest yearly exercise, held in Germany. More than 11,000 soldiers were flown to Germany and some 37,000 tons of equipment and supplies have been shipped from the U.S. for the massive exercise.

**REFORGER** (Return of Forces to Germany) results from a 1967 agreement between the U.S., United Kingdom and the Federal Republic of Germany. The U.S. agreed to return stateside-based forces to Germany each year for exercises to demonstrate allied solidarity.

The entire exercise emphasizes the orderly disposition of forces and stressed deployment procedures and techniques. Yarbrough entered the Army in 1972 and is a radio operator with the 143rd Signal Battalion in Frankfurt.

He is a 1964 graduate of Bay High School.

His father, Walter F. Yarbrough, lives in Bay St. Louis.

His wife, Cheryl, is with him in Germany.

## Echoes

Mr. and Mrs. A.N. Grass had as guests over the weekend their son Albert John of Laurel, Miss., and their son-in-law and daughter Mr. and Mrs. William Henry and children Geri, Patrick and Michelle of Slidell, La. While here they joined in celebrating the birthdays of Mrs. Grass and grandchildren Patrick Henry and Vicki Grass.

Mr. and Mrs. Walter Saucier had as weekend guests their son and daughter-in-law Mr. and Mrs. Odelle Saucier and grandson Jason of Jackson, Miss.

**BAY HIGH SAFETY CLUB**—Student Advisory Board members of Bay Senior High's newly created Safety Club designed to promote youth involvement in safety met in the Library. Reduction of accidents, injuries, property damage and loss of life are the objectives of students, standing from left, Joe Scianna, Donald Ginn, Chuck Benigno and Mike Moore. Other members in the organization from left sitting are, Vickie Young, Honore Hazeur, Mike Austin, Nena Boyd, Alice Lynch, Lisa Thomas, Cathy Townsend, Patricia diBenedetto, Janis Almone and Lisa Smith. The group will try to reduce accidents, injuries, property damage and loss of life. (Staff photo-Leslie Williams)

## Students form Safety Club, elect officers at Bay High

By LESLIE WILLIAMS

Bay Senior High Safety Club officers for 1978-79 were announced Tuesday.

Nena Boyd was elected president, Chuck Benigno, vice president; Lisa Thomas, secretary and Alice Lynch,

treasurer announced Safety Club sponsor Willie Bradley. The club is designed to reduce accidents, injuries, property damage and loss of life by helping students acquire competent skills and knowledge about safety through exposure to a variety of activities.

Members of the Safety Club will be taught to recognize a variety of safety problems facing society, particularly in the areas of school, home, traffic, public, and industrial safety.

Additional objectives of the Safety Club are to: —Develop awareness in youths as to the seriousness of accident problems. —Encourage an attitude of safety in youths. —Develop a unified effort among school youth in surveying and analyzing the various accident problems in the community.

—Cooperate with official and non-official agencies and other groups interested in the conserving human life by preventing accidents. —Supplement appropriate activities to develop a safety program for curricular offerings at Bay Senior High.

Any student at Bay Senior High who wishes to join the Safety Club may do so.

Approximately 3000 students from throughout the state will be participating simultaneously in the High School-Junior College Day activities. Exhibits and displays explaining MSU's educational offerings, manned by faculty members and students, will be set up on the Drill Field Saturday, Oct. 14, beginning at 9 a.m. Visiting students, who will be formally welcomed and recognized at halftime, will be able to purchase special \$2 tickets to the football game with Florida State University.

A Hawaiian-style luau, which is open to all, will begin at 11 a.m. in the coliseum. Tickets are \$4.50 for students and \$5.50 for non-students. (Advance tickets may be purchased by writing in care of "Luau Tickets," Box 5368, Mississippi State, Miss. 39762.)

In addition to crowning of the Homecoming queen and presentation of her court, halftime activities will also include a special musical tribute to the university's 100th birthday by the Famous Maroon Marching Band. The program's theme will be "Mississippi State: The First 100 Years."

**NEW SAFETY CLUB OFFICERS**—Bay Senior High Students' newly organized Safety Club officers are, from left, Alice Lynch, treasurer; Nena Boyd, president; Chuck Benigno, vice president and Lisa Thomas, secretary. The group, sponsored by faculty member Willie Bradley, is designed to solve safety problems facing society, particularly in the areas of school, home, traffic, public and industrial safety. (Staff photo-Leslie Williams)

## Score plans advertising workshop

The local chapter of the Service Corps of Retired Executives (SCORE) and the Pascagoula-Moss Point Area Chamber of Commerce will hold a workshop to acquaint small business owners or managers with productive advertising techniques for their business.

The general area to be covered includes such subjects as: Why advertise? Do you sell for price or quality? What makes people buy? Where should I advertise? How do I know whether or not my advertising brings more business?

This workshop will be held at the Pascagoula-Moss Point Area Chamber of Commerce Building, 825 Denny Avenue, Pascagoula, Tuesday, October 17, from 7 to 10 p.m.

There is a \$3 registration fee which should be mailed to SCORE Chapter 130, C.O. U.S. Small Business Administration, Gulf National Life Insurance Bldg., 111 Fred Haise Boulevard, Biloxi, 39530.

For further information, call the Management Assistance Division of SBA at (601) 435-3676.

## OLA journalists plan fall fashion showing

Journalism students at Our Lady's Academy are preparing a showing of fall and winter fashions for 8 p.m. Thursday, October 26, in OLA Gymnasium.

"Fashions from four area businesses will be modeled by students, mothers and three small girls," explained Ms. Mary Lou Koch, journalism instructor.

"We have several goals in mind," she continued. "We want to inform the audience of the striking fashions available in our own area. The Princess Shop and the Little Mushroom of Bay St. Louis, Pauline's of Waveland, and Renee's of Diamondhead, have graciously consented to provide garments for the occasion."

"Since my journalism

INSTRUCTOR KOCH

students are studying photography, this will provide a perfect setting for the girls to use the knowledge they have gained these first weeks of school under the leadership of our photography instructor, Ms. Cathy Griffin."

"Finally, the proceeds from the event will enable us to build and equip a darkroom on the OLA campus. This means our students will be developing and enlarging their own pictures for the school paper and the yearbook. This addition to the curriculum will provide an exciting new area of learning for our students," Ms. Koch concluded.

The evening's entertainment will consist of the fashion show, refreshments, and a door prize drawing on a dinner for two at Moran's Restaurant in New Orleans. Advance ticket sales (\$1.25) will begin Friday, October 6. Tickets will be available from all journalism students, the office of OLA, and the following businesses: Renee's of Diamondhead, Pauline's of Waveland, The Little Mushroom and the Princess Shop of Bay St. Louis, Lynch's Drug Store in Waveland, and Griffin's Drugs in Pass Christian.

Tickets will also be available by calling Mary Lou Koch 467-7788. Admission at the door is \$1.50.

MR. AND MRS. LEROY BOURGEOIS

### Bourgeois' anniversary celebrated

Mr. and Mrs. Leroy Bourgeois celebrated their 25th wedding anniversary at their Waveland home Sunday, October 1.

Mr. and Mrs. Bourgeois who were married October 3, 1953, in Texarkana, Tex., have two sons, Robert and Perry and a granddaughter, all residing in California.

Approximately 65 guests attended.

## BIRTHS

**MICHELLE PERNICIARO**  
Mr. and Mrs. Michael Perniciaro of Bay St. Louis announce the birth of their second child and first daughter, Michelle Marie, September 25 at Gulfport Memorial Hospital. She weighed seven pounds, 14½ ounces.

Mrs. Perniciaro is the former Micheline Lenfant, daughter of Mrs. Carmel Jeanfren of Lakeshore and J.L. Lenfant of New Orleans, La. Paternal grandparents are Mr. and Mrs. N.A. Perniciaro of Bay St. Louis. Mrs. Dominica Perniciaro, Bay St. Louis, is the paternal great-grandmother and Mrs. Gladys Mouldous of Clermont Harbor the maternal great-grandmother.

### Mickey Mouse party marks birthday

Roy Brent Ladner Jr. celebrated his third birthday with a party Sunday at the

ROY LADNER

home of his grandmother, Mrs. Josephine Ladner. A Mickey Mouse theme was used for the occasion.

Joining in the celebration were his parents Mr. and Mrs. Roy Ladner Sr., Mr. and Mrs. Melvin Luxich, Mrs. Sammie Stockstill, Mrs. Kathleen Ladner, Mr. and Mrs. Jimmy Strong, Mrs. Mona Ladner, Mrs. Barbara Mollere, Denay Ladner, Kelli Ladner, Amy Mollere, Lodge Ladner, Jimmy Strong Jr., Melanie Bradford, Missy Bradford, Jordan Bradford, Tracy and Bubba Luxich, Becky and Lori Stockstill and Stacy Anderson.

## Diamondhead Garden Club meets Oct. 18

The first season meeting of the Diamondhead Garden Club was held at the Diamondhead Sales Lodge September 20th with Mrs. Joseph J. Finley, presiding.

Along with regular members, ten prospective new members attended.

Committee reports were given, calling special attention to plans for the year, which include Spring Pilgrimage on March 30 headed by Mrs. Talbot Steel, and a continuation of

Beautification and Litter program headed by Chris Arnos.

Mrs. Chester Partridge, chairman for Landscape and Design, identified several unusual plants. Mrs. Myra Craft, chairman on horticulture, gave helpful hints on the care and planting of bulbs and other current horticultural tips.

The club's meeting Oct. 18 will include a special program on ceramics by Mrs. Marvin Schierman.

### Gifts presented to Edna Dobbins at housewarming

Friends and relatives of Mrs. Edna Dobbins gathered in Bay St. Louis Sunday to present Mrs. Dobbins with gifts on the opening of her new home.

Among those present at the housewarming were Mr. and Mrs. Warren Carver, Mr. and Mrs. Norman Benigno, Mr. and Mrs. Louis Jez, Mr. and Mrs. Dennis Buckner, Mr. and Mrs. W. P. Hilliker, Mr. and Mrs.

Terry Burr, Mr. and Mrs. James Dobbins, Mrs. Helma Wendt, Denise and Dennis Dobbins.

Also, Mrs. Edna George, Mrs. Lorna Hughes, Mrs. Irene McCarty, Mrs. Beau Cuebas, Mrs. Edna Purvis, Mrs. Ratha Graves, Mrs. Sue Fisher, Mrs. Gloria Rosato, Mrs. Alice Manus, Tracy Moness, Mrs. Katherine Jordan and Mrs. Bessie Presley.

Mrs. Maybelle Legendre, Mrs. Rosemary Ramelli, Mrs. Hilda Loeher, Mrs. Shar Saidlea, Jennifer Mallich, Mrs. Ouida Randolph, Mrs. Elsie DeRocha, Mrs. Marie Johnson, Mrs. Marie Hollis, Noah Hollis and Joe Maynard. Mrs. Dobbins is now residing in her new home at 19 Paradise Point Drive.

**LIFE AND BREATH** - Mrs. Elda Duke of Waveland, chairman of the Hancock County Lung Chapter, discusses matter of "life and breath" with James Anderson of Jackson, field representative of the Mississippi Lung Association. Mrs. Duke recently represented the local chapter at the Hattiesburg M.L.A. District Meeting.

COME IN AND SEE OUR HAPPY FACES!

## Mississippi Garden Clubs offer October Guidelines

By MRS. C.H. WOOD  
HORTICULTURE CHAIRMAN

October is clean-up month in the garden. Now is the time to clean away dead stems and trash from the flower and vegetable garden. Debris left until spring provides a hideout for overwintering pests and diseases.

Composting is a must during fall since organic refuse, such as spent garden plants and leaves, is available. Decomposed leaves are useful as a mulch, in soil for flower beds and vegetable gardens and in planting holes for trees and shrubs.

To start a compost heap, pile whole or shredded leaves, 8 to 12 inches thick, in a wire bin. Then cover them evenly with one or two inches of garden soil. Sprinkle with manure or other nitrogen fertilizer such as 10-6-4. Dampen the layer, then add another layer of plant waste, soil and fertilizer. Leaves composted in the fall will be ready for use the following spring.

To have beautiful blooms in your garden next spring plant daffodils, hyacinths, Dutch iris and crocus now. Place tulip bulbs in the hydrator pan

of your refrigerator until planting in mid-November. Plant in a well drained area.

Suggested depths to plant bulbs are: daffodils, 6-8 inches deep; hyacinths, 5-6 inches deep; Dutch iris, 3-5 inches deep; crocus, 2-3 inches deep; and tulips, 6-7 inches deep. An application of one tablespoon of super-phosphate (0-20-0) per planting hole is recommended.

Continue to keep chrysanthemums watered while they are in bloom. Mulch with pine straw or grass clippings to conserve soil moisture and discourage weeds. Spray weekly with Sevin to control insects and Captan to control fungus diseases. Follow label directions.

Spider mites are extremely destructive to drought-stricken plants. They usually attack the undersides of leaves, sucking plant juices and causing sudden withering. Leaf margins may turn brown and curl under as the damage increases. Tiny webs become noticeable on leaves and stems in advanced stages of infestation.

Wet down plant foliage as well as the soil around the plants, during prolonged dry

spells. If mites appear, hose them off with a strong, fine spray from the garden hose. Repeated hoseings should protect the plants until cold weather sets in and kills the mites.

Bring in those houseplants that have been growing outdoors during the summer. Bring them in before the night temperature gets under 40 degrees. Let them stay for a few days on a porch or carport.

Inspect plants carefully for insects before bringing them back indoors. It's easier to spray outdoors.

## Opinion/Ellis Cuevas

## A little helping hand

By ELLIS CUEVAS

The United Way of Hancock has set a goal of \$35,000 for its 1978 campaign.

Latest figures on advanced givings and pledges show a little over \$10,000 towards that goal, leaving the United Way about \$25,000 short.

If you haven't made your contribution or asked your employer to put you on a payroll deduction, now would be a good time.

Do you realize that if you give only \$2 per week on payroll deduction it adds up to a total of \$102 at the end of a year, and it is tax deductible.

So many worthwhile organizations benefit from your giving to one agency, that is why it is called the United Way.

The United Way of Hancock supports the following agencies: Senior Citizen Programs, Retired Senior Volunteer Program (RSVP), Hancock County Emergency Relief Fund, American Red Cross - Hancock County Chapter, Gulf Coast Mental Health Center, Catholic Social Services, Gulfside Boys Home, Girl Scouts - Gulf Pines Council, Boy Scouts - Cypress District, Hancock County Blood Bank, Goodwill Industries, Firemen's Doll and Toy Fund, and U.S.O. (Worldwide).

If you have any questions about the United Way, contact Wayne J. Ducomb Jr., campaign chairman, or call Mrs. C. R. Beyer, executive secretary at 467-5358.

Give the United Way - Thanks to you it works for all of us.

SALTY SALLY

## Bay Rotary plans fund raising dinner

The Bay St. Louis Rotary Club will host its annual fund raising dinner Wednesday, Oct. 11 at 5:30 p.m. in Virginia Hall of Christ Episcopal Church, 912 South Beach Boulevard.

The public is invited to the roast beef and fried chicken dinner. Take-out dinners will be available. Tickets may be obtained from any Rotary member for a donation of \$5 per plate.

The funds raised will be used for community service projects. Some of the organizations which have received support from the Bay St. Louis Club in the recent past are Hancock County Health Dept., Bay-Waveland Humane Society, Rotary Foundation Fellowships, Boy Scouts, Mississippi's Miss Hospitality Pageant, Mississippi State Arts Festival for the Handicapped, American Red Cross Safety and Leadership Scholarship and Hancock County Fair.

These are only some of the ways that Rotary uses the money it raises for helping the community.

The president of the Bay St. Louis Rotary Club is Jan Brameyer; chairman of the dinner is Richard Kosbab; committee chairmen are: William Hilliker, tickets; Jan Brameyer, kitchen; Richard Kosbab, supply; Orrin Pilkey, publicity; Crus Uram, customer service; Rev. Charles Johnson, clean-up.

The Rotary club is dedicated to the ideal of serving the community, and any money raised will be used for that purpose a club spokesman reported.

## USDA cuts farmer loan red tape

Secretary of Agriculture Bob Bergland has given Farmers Home Administration (FmHA) state directors authority to make emergency loans to farmers as soon as loss from natural disaster is confirmed, according to the Hancock County FmHA office.

The secretary abolished a time-consuming system in effect for several years that required county governments and state governors to request disaster loan service, then for the Secretary to designate counties where FmHA emergency loans could be made. This course was followed when damage assessment reports indicated the need for 25 or more emergency loans in a county.

Under the new, less time-consuming procedure, State Director Mark Hazard will authorize the agency's county offices in Mississippi to make emergency loans to any number of farmers showing a need for emergency credit to offset substantial loss caused by storm, flood, drought or other natural disaster.

The state director will act on the basis of available information and damage reports received from FmHA county offices. Designations of eligibility by the Secretary of Agriculture will no longer be required. FmHA emergency loan services also are automatically available when a major disaster or emergency has been declared by the President.

Hazard said Bergland's action to cut red tape from emergency loan procedure was taken under a provision of the Agricultural Credit Act of 1978, signed by President Carter August 4.

FmHA emergency loans are made to farmers lacking other sources of credit for recovery from natural disaster. Beginning October 1, 1978, amounts of offsetting actual loss associated with production will be made at an interest rate of 5 percent, and additional amounts at higher rates.

Low rate loans also are made to restore farm dwellings and household effects lost or damaged due to natural disaster. Loans are made through FmHA county offices.

For further information, contact Robert W. Smith, FmHA County Supervisor, whose office is located at No. 3 Colonial Plaza, Highway 90, Bay St. Louis, Telephone 467-9008.

## Job well done

OCTOBER 8, 1978  
Managing Editor  
The Sea Coast Echo  
Dear Sirs:

As a director of the National Health Education Society for Natural Healing with members thruout 38 specific states of this nation, we offer you Congratulations on a job well done.

We have references to your front page article concerning the violation of the Constitutional Rights of the Donald Alley family.

We have disseminated this information to many "Health Freedom Organizations" thruout the nation.

Just recall x ray of the thymus gland 30 or more years later has caused the medics and hospitals to make a frantic search for the victims because of cancer; the thalomid drug which created children without arms or legs; the grave concern for polluted water (sodium fluoride) air and soil proven as cancer causing.

And still health departments demand threat of criminal prosecution that pure blood streams of children be contaminated with dead, foul matter.

Human bodies survive and thrive on living matter, to be sure, not dead polluted materials.

Our legal friends advise that in as much as this is a Constitutional matter, the case should have been taken to a Federal District Court.

You have exposed another violation and the use of fear tactics by politicians and bureaucrats once in office treating constituents like ignorant, stupid peons. By the grace of God, some of these so called peons do have intelligence and the use of common sense.

Again, your newspaper deserves a nationwide merit. Thanks and God bless your entire staff.

Cordially and respectfully,  
Dr. F. Doughty Beck, D.C.  
New Orleans and Mandeville, La.

## NSTL drug bust nets 4; probe continues

By RICH ADAMS

Four contract employees at the National Space Technology Laboratories in Hancock County were arrested last week on charges of sale and distribution of marijuana, Mississippi Bureau of Narcotics District Supervisor Don Richards reported.

Jerry Meyers, 32, and J.C. Tribett, 32, both of Picayune; J. R. Barnett, 22, of Slidell, La.; and Henry Favre, 28, of Gulfport were arrested on drug charges following a six-month undercover investigation at NSTL, Richards said.

Meyers and Favre were security guards for the national space installation, employed by Global Associates, contract security operators for NSTL.

Tribett and Barnett were employed by Rockwell Industries, one working in the company's space division and the other in its rocketdyne division, reported NSTL Chief Counsel Ed Ling. Meyers, Tribett, and Barnett were arrested Wednesday and each was released from Hancock County Jail on \$5,000 bonds.

Favre, arrested on Thursday on two charges of sale and distribution of marijuana, was released from Hancock County Jail under a \$10,000 bond.

"The arrests are a result of a six-

month-long undercover investigation. There will be several more arrests in connection with this incident," said Richards.

"Narcotics investigators worked closely with NSTL security and installation officials. The NSTL people were very cooperative," Richards added.

Ling said he contacted the narcotics bureau at the first sign of trouble at NSTL.

"We wanted to nip this in the bud," said Ling.

"There is absolutely no major drug problem at the space laboratory. As soon as our own investigators became aware of this drug case, we notified the proper officials. They came in and said 'step aside' and covered the investigation from then on," Ling continued.

"We conduct a security investigation on everybody working at NSTL based on accessibility to confidential documents. I am not sure what the suspect's clearances were," he added.

"I must emphasize that none of the men arrested were government employees at NSTL. They were all contract employees," Ling said.

Richards said a hearing date has not been set for any of the suspects.

## Suit seeks halt to

## Wolf River trestle

Save the Bay is seeking an injunction to prevent the Dupont Co. from constructing a bridge over Wolf River from the U.S. District Court in Biloxi.

Save the Bay member Vivian Anderson Jensen said her group asked the court Tuesday for a temporary injunction until a proper Environmental Impact Statement is given on the secondary effects of railroad that will run from the Illinois Central Gulf main line north of Gulfport to the Dupont plant.

Dupont Production Superintendent Dennis McNamara said, "We are aware Save the Bay has initiated legal action and we think it not justified."

McNamara said the company is not aware of any other manufacturing plants that may locate somewhere along the railroad.

"What Save the Bay Dupont is objecting to," added McNamara, "is the potential location of other manufacturing plants along the railroad."

The U.S. Army Corps of Engineers granted permits to an affiliate of Dupont, Southern Mississippi Transportation Co. in August to place fill in Wolf River and in DeLisle Bayou and adjacent wetlands for construction of the railroad.

"We've complied with all legal requirements," contended McNamara. "To my understanding, secondary effects," explained McNamara, "are the possibility that other manufacturing plants may locate somewhere along the railroad."

"What Save the Bay Dupont is objecting to," added McNamara, "is the potential location of other manufacturing plants along the railroad."

From the economic view, C. H. Hill, director of Burk and Associates of Gulfport, commission engineers on the basin project, said uplands previously considered for spoils by the commission, are no longer the most feasible location.

Burk and Associates are handling planning of the anchorage basin for the Port Commission.

Residents in the upland area do not want the dredge material placed in their area, said Hill, adding, the cost of purchasing this land would be very expensive to the county.

"If they knew that the upland was our only alternative," replied Commissioner McDonald, "the residents might feel differently about location of the dredge material in their area."

Hill said he will do an in depth feasibility study on a proposed site for the dredge material.

"I suggest," said Smith, "Burk and Associates work closely with U.S. Army Corps of Engineers, U.S. Fish and Wildlife Service, National Marine Fisheries Service and the Mississippi Marine Resources Council to insure chances for acceptance of Hill's study."

## Buccaneer gets pier permit

By RICH ADAMS

The U. S. Army Corps of Engineers has issued a permit to the Mississippi Park Commission for construction of two concrete rubble jetties 200-feet long by 40-feet wide on the beach at Buccaneer State Park.

According to Frank Alley, Mississippi Park Commission chief of planning, the request for a permit was a re-application to build the jetties.

The jetties have been in planning for Buccaneer for some time, but the Park Commission has no funds or materials set aside for the jetty construction, said Alley.

Mississippi State Park Executive Commissioner Tom Edwards said he hopes to have the construction completed this year, but the lack of funds and materials make construction doubtful.

Other Corps permits issued include those to Southern Mississippi Transportation Company to place fill on the banks of Wolf River during construction of a new railroad in Harrison County, and another to place fill on banks of DeLisle Bayou and adjacent wetlands for construction of a new railroad in Harrison County.

Nathaniel T. Langlois received a Corps permit to construct a boathouse and walkway on St. Louis Bay.

## Common Cause 'investment'

Common Cause, which calls itself the citizens' lobbyists, says two Mississippi congressmen received contributions from the National Education Association.

Common Cause said Rep. Thad Cochran, R-Miss., now seeking election to the Senate, received \$100 in 1978, while Rep. David Bowen, D-Miss., seeking re-election in the 2nd District, received \$700.

The citizens' lobby linked the donations to pending legislation to establish a federal Department of Education separate from the Department of Health, Education and Welfare.

Fred Wertheimer, senior vice president of Common Cause, termed the donations "another classic example of how interest groups use political money to 'invest' in Congress."

Bob Herman, NEA associate director of governmental relations, confirmed the donations but said Bowen received \$500 instead of \$700.

# Hawks skin Panthers in comeback victory

By ELLIS CUEVAS

Hancock North Central's Hawks kept a capacity Homecoming crowd in suspense Friday night in turning an 8-20 deficit into a 22-20 comeback victory over the Lumberton Panthers.

The Hawks were outweighed in every position, (someone even said the water boy was bigger), and trailed in every statistic but the score.

It was the sixth victory of the season for the Hawks and 17th in a row in regular season play.

The officials were kept busy dropping the flag during the game with Lumberton getting 14 and the Hawks nine flags for infractions.

Hawk head coach Irvin Favre commenting after the game said, "Lumberton was

big and good, just like I told you, (the press) in pre-game. They had size and speed."

"We had good team play, we hang in there. I have seen other teams crumble, but this Hawk team has pride, the want to win attitude," added Favre.

Lumberton was the first to score when quarterback Terry Herron hit Darryl Smith with a perfectly thrown 25 yard score early in the second quarter. Benny Dearman caught a pass for a two point conversion making it 8-0 Lumberton with 10:54 left in the second stanza.

The Panthers kicked-off to the Hawks who took over on their own 24. Vincent Adams directed a 13 play drive and HNC scored when Adams, on a last second pitchout to Willie Santiago, was good for a six yard score. Adams passed to Greg Ladner for the two point conversion tying the score 8-8, with 6:54 left in the second quarter.

In one stretch of the Hawks drive there were six flags in seven plays, with the Panthers guilty four times and HNC twice.

Lumberton came back and Al Ricky Edwards crashed in from the one putting the Panthers back into the lead. The point after was bobbled and the Panthers led 15-8 with 3:10 left in the second stanza.

Half time activities involved the crowing of the 1978 Hawk Homecoming queen and presentation of the malds. The

Hawk band entertained at halftime and the Panther band gave a pre-game presentation.

Hawk fans were shocked at the start of the third quarter when Edwards, on the first play from scrimmage, rambled 72 yards for the Panthers third TD. The point after was bobbled and the score was 20 for Lumberton and only eight for the Hawks.

After several exchanges of the ball a Lumberton drive was stopped on the Hawk 20 when Rene Baum pounced on a Panther fumble.

Vincent Adams cranked up the Hawk offense and capped the scoring drive with a 19 yard pass to David Clark. Jesse Draime kicked the extra point pulling the Hawks to within five of Lumberton with 1:28 left in the third quarter. Lumberton helped the drive with a face mask infraction and personal foul penalties.

After the Hawk score there were several punt exchanges, with the Hawks putting the Panthers in trouble after Vincent Adams kicked to them on their own 12. Three cracks at the Hawk line by Lumberton came up with a fourth and eleven.

Lumberton kicked to the Hawks and they fumbled on the Panthers 42 and recovered. Adams passed to Greg Ladner to the 23. Jesse Draime moved to the 17 on two runs and then Adams dropped back to pass, couldn't find an open teammate, and scrambled into the end zone

giving the Hawks the first lead of the game. Draime kicked the extra point making the score 22-20 in favor of the Hawks with only 6:06 left in the contest.

The Hawks punted to the Panthers and they had a good return to their own 47 and fumbled. Gene Breazeale came up with the ball for the Hawks. The Hawks were forced to punt and Adams put it into the end zone for a touch-back.

With 3:30 left in the game Lumberton came to life with the ball on their own 20 and moved to the Hawk 20 in five plays. The fans were on the edge of their seats as the Hawk defense tightened up, making the Panthers lose three on a run, no gain on another and two passes fall incomplete.

With only 49 seconds left in the contest, the Hawks took over on their own 23. Adams, with instructions from Coach Favre, held on to the ball for three plays before the game was over as Lumberton kept calling time out. A personal foul against the Panthers moved the ball to the 35 as the buzzer sounded.

"A few minutes ago I didn't think I would be here talking to you about a victory," commented coach Favre.

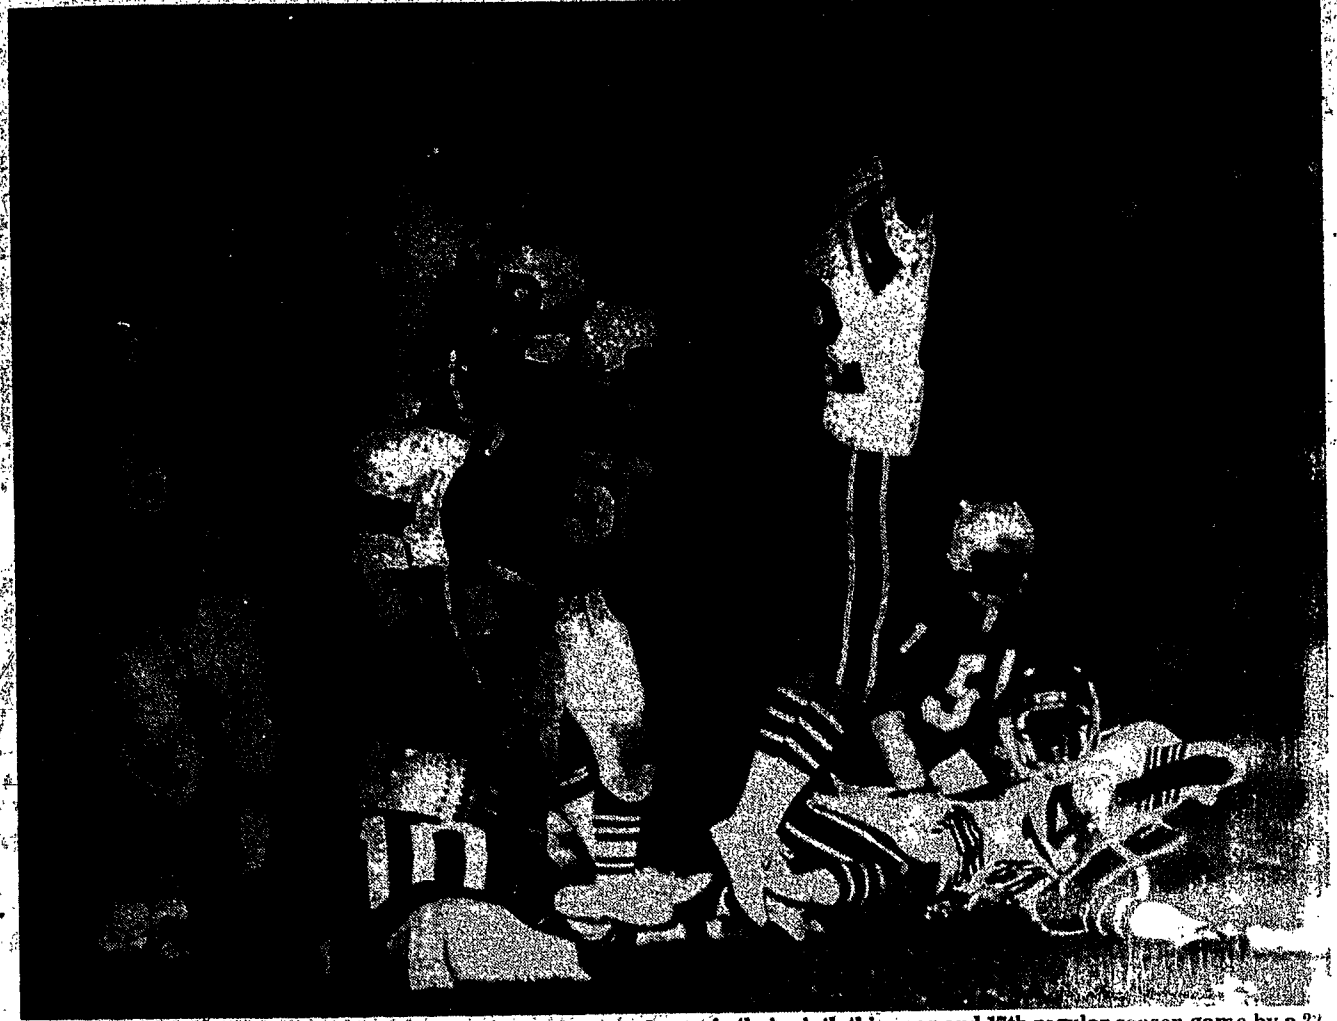

Favre added, "I didn't think we were flat out there, we had to fight for our lives. This team has pride, the most pride

of any team I have ever coached. Weren't those fans terrific tonight, did you see how they even filled the new

bleachers and still we had many standing? Fans can do a lot for a team and they sure helped us tonight."

Lumberton's total yardage was 388 to 183 for the Hawks, on first downs the Panthers lead 12 to 9.

Coach Favre's Hawks will entertain Pearl River Central next Friday night in HNC stadium.

**HAWKS RECOVER FUMBLE**—Emotions are high as Hancock North Central players jump with joy as team mates cover fumble by Lumberton Friday. The Hawks down 8-20 came back for a late third quarter and mid fourth quarter score to

## Bearcats drop Bay

The Bay Junior High Tigers were dropped from the ranks of the unbeaten Thursday night as the Long Beach Bearcats handed the Tigers an 18-0 defeat.

"We just weren't fired up for the game," said Bay High head coach Cleveland Williams.

"We made mistakes. There is not too much you can say when you lose," he added.

"We expected a lot more out of Bay Junior High. They have two of the best runningbacks on the coast," said Bearcat head coach Ronnie Hamilton.

"Our defense was great. We contained their two runningbacks very well," he added.

In the first quarter Sammy Robinson took the ball 60 yards as he broke from the field and scored for the Bearcats. The conversion attempt failed.

Long Beach signal caller Jeff Loftus threw a 15 yard pass to fullback Greg Gregory in the second quarter, giving the Bearcats a 12-0 lead at the half.

Pat Robinson ran for an 11 yard score in the fourth quarter to cap the Junior High Bearcat's victory, 18-0.

Defensive standouts for Long Beach were Ricky Greenwall, Samuel Robinson, Doug Burns, and John Hosey.

**SACKED**—Bay High quarterback Chuck Benigno, No. 10, looks for a last-minute receiver as Donald Dollar, No. 35, takes him down for a loss. The Tigers lost to Long Beach Friday, 20-0. (Staff photo-Rich Adams)

## Tigers minus LaFontaine

# Bearcats shutout Tigers, 20-0

By RICH ADAMS

The Bay High Tigers, minus injured starting quarterback Dwayne LaFontaine, suffered a 20-0 shutout at the hands of the Long Beach Bearcats at Tiger Stadium Friday night. LaFontaine suffered a bruised thigh in last week's game against d'Iberville and sat out Friday's game. Quarterback duties were shared by Chuck Benigno and sophomore Ricky Johnson.

"I can sum up the game in one statement—too many injuries, too many mistakes, and no LaFontaine," said Tiger head coach Billy Rhodes.

"It's hard enough to win without five starters out with injuries," he continued.

"We were without our big offensive weapon LaFontaine, and without LaFontaine, we might as well forget about the passing game," he added.

"Benigno and Johnson are good, but not as polished as LaFontaine," Rhodes said. The first half was a scoreless see-saw defensive battle, peppered with fumbles and interceptions.

Neither squad moved the ball deep into each other's territory, and every time a

drive would get underway, penalties halted the forward motion.

The Tigers had a fourth-and-one situation in the second quarter after moving the ball from their own five yard line to mid-field in eight plays, but a bobbled ball was swooped up by Long Beach defensive guard Chip Williams and the Bay High drive was stopped.

On the Bearcat's next series of plays, after picking up two first downs in three plays, Long Beach quarterback Jim Nightengale tossed a pass intended for Greg Guin that was picked off by Benigno and returned to the Long Beach 48.

In the next Bearcat series of downs, on a second-and-fifteen situation, Benigno intercepted another Nightengale pass intended for Guin.

The Tigers then fumbled the ball on a handoff to runningback Ronald Collins, and Hal Hem of the Bearcats pounced on the loose ball.

At the end of the first half, the score was 0-0.

In the early part of the third quarter, Bay High was forced into a punting situation deep in their own territory. A high snap from center went over Joe Cabaniss' head and the Bearcats recovered the ball on the Bay High four yard line.

Two plays later, with 6:03 left in the third stanza, Hubert Johnson ran in for a touchdown to put the Bearcats on the board.

The conversion attempt by Guin was blocked, and the score was 6-0.

On the following kickoff, the Tigers were once again forced

into a punting situation. Again the ball sailed over Cabiniss' head, and Long Beach recovered the ball on the Tiger 15 yard line.

Seven plays later, after being delayed by a fine Tiger defense, Mike Bolhke took the Bearcat score in from the three yard line.

A pass from Danny Guin to Kris Guatier added a two-point conversion, and the Bearcats led 14-0 with 1:46 left in the third period.

Long Beach once again got the ball early in the fourth period and moved to the Tiger 17 yard line and, on a fourth-and-five situation, attempted a 25 yard field goal.

Nightengale's kick was short and wide, and the Tigers took possession on their own 17 yard line.

Three plays later, Ricky Johnson fumbled the ball and Bearcat Rod Lyons recovered.

Long Beach took the ball on the Bay High 45 yard line and Mike White found daylight two plays later, and scored on a 34 yard sprint up the sidelines.

The conversion attempt was foiled, and the Bearcats held a 20-0 lead.

Johnson, quarterbacking for the Tigers, passed to Cabaniss under pressure from a Bearcat blitz, and Guin intercepted the wayward pass.

The Bearcats held onto the ball until the clock ran out, and took a 20-0 win to the lockerroom.

Long Beach outdistanced the Tigers with 166 yards rushing and 50 in the air compared to the Tigers' 66 on the ground and 18 passing.

The Tigers lost 3 of four fumbles and were intercepted twice.

Long Beach lost 25 yards on five penalties, with the Tigers penalty-free.

The Tigers now hold a 1-5 record, their only win coming on a 2-0 victory over Notre Dame in the opening game of the season.

The Bearcats are now 3-4 for the season.

The Tigers host Vancleave in a homecoming contest next Friday at Tiger Stadium.

The field goal was the first three points scored against the Warriors this year.

The d'Iberville squad still came up with a 36-10 victory over the Rock-A-Chaws Friday night despite the Stanislaus points.

The Rocks scored first after recovering a Warrior fumble on the d'Iberville 20 yard line, but couldn't move the ball against the tough Warrior defense and settled for a 28 yard field goal kicked by Charles Armato.

The d'Iberville 11 took the kickoff following the field goal and marched 69 yards downfield, with Grady Fountain scoring on a 21 yard romp.

Don Williams' conversion made the score 7-3.

Fountain scored again near the half-way mark in the game on a 12 yard run, and Williams kicked another extra point.

In the third quarter Fountain scored again, carrying the ball seven yards with 8:19 left in the third stanza.

Quarterback Reggie Collier lofted a 60 yard pass to Jimmy Lawrence to add to the Warrior's total. Williams converted again.

In the fourth period Collier tossed a 20 yard pass to

Lawrence to cap the scoring for d'Iberville.

The Rocks' score came on a lateral interception late in the fourth quarter. The loose ball was picked up by Dennis Scardino and returned 53 yards for a touchdown.

The Rocks had 89 yards rushing and 49 passing while the Warriors took 244 on the ground and went to the air for 115 yards.

The Rocks are 3-2 overall and 2-1 in Pascagoula River Conference.

The Pass Christian Pirates dropped a close contest against the St. John Yellowjackets in the final minutes of Friday night's game, 21-18.

St. Martin's Scott Simer ran two yards with 2:36 remaining in the game to win in a Pascagoula River Conference battle.

"We weren't able to stop them defensively when we needed to," said Pirate head coach Bob Lumpkin.

"In the second half St. Martin controlled the ball. We snapped the ball once in the third quarter," he continued.

"My defense is inexperienced. I lost six of my seven starting defensive line

to graduation last year, and have a young line this year," he added.

Pass Christian jumped 6-0 lead in the first stanza when Mackie Dedeaux ran three yards to cap a 56 yard drive.

Dedeaux scored again in the second period to up the tally to 12 with a one yard run.

"Missing our extra point didn't help any," co. Lumpkins said.

"We missed the first on a kick, and our linebackers fell down on the other two," he added.

St. Martin scored on a 39 yard Donnie Creel pass Bryant Gilbert, added to by conversion by Doug Brown.

Creel passed 21 yards. James Ramsey to make the score 14-12 in favor of the Jackets.

Virgil Swanner ran 36 yards on an option play in the fourth period to score for the Pirates, and gave the Pass 11 an 18-14 lead.

Simer's two yard run offset the Swanner's score, and gave the Yellowjackets a 21-18 win.

Pass Christian is now 3-2 for the season. They travel to play St. John next Friday. Gametime is 7:30 p.m.

## Warrior's armor dented as Rocks snap shutout streak

### d'Iberville wins 36-10

## Pirates stung by St. Martin

The Pass Christian Pirates dropped a close contest against the St. John Yellowjackets in the final minutes of Friday night's game, 21-18.

St. Martin's Scott Simer ran two yards with 2:36 remaining in the game to win in a Pascagoula River Conference battle.

"We weren't able to stop them defensively when we needed to," said Pirate head coach Bob Lumpkin.

"In the second half St. Martin controlled the ball. We snapped the ball once in the third quarter," he continued.

"My defense is inexperienced. I lost six of my seven starting defensive line

to graduation last year, and have a young line this year," he added.

Pass Christian jumped 6-0 lead in the first stanza when Mackie Dedeaux ran three yards to cap a 56 yard drive.

Dedeaux scored again in the second period to up the tally to 12 with a one yard run.

"Missing our extra point didn't help any," co. Lumpkins said.

"We missed the first on a kick, and our linebackers fell down on the other two," he added.

St. Martin scored on a 39 yard Donnie Creel pass Bryant Gilbert, added to by conversion by Doug Brown.

Creel passed 21 yards. James Ramsey to make the score 14-12 in favor of the Jackets.

Virgil Swanner ran 36 yards on an option play in the fourth period to score for the Pirates, and gave the Pass 11 an 18-14 lead.

Simer's two yard run offset the Swanner's score, and gave the Yellowjackets a 21-18 win.

Pass Christian is now 3-2 for the season. They travel to play St. John next Friday. Gametime is 7:30 p.m.

**MAYBE WE CAN TALK ABOUT THIS**—Bay High quarterback Chuck Benigno tries to outmaneuver Long Beach tackle Rod Lyons to turn a loss into a gain. The Tigers did lose, 20-0, to put them 1-4 for the season. (Staff photo-Rich Adams)

## News Brief

### LIBRARY EVENTS

Events at the Bay St. Louis Library on US-90 Tuesday include a display of the handwork of a quilting class which has been working at the library slated to open at 11:30 a.m.

Photographs of some 90 Mississippi courthouses by O. M. Smith will go on exhibit at the library Tuesday to coincide with the initial raising of a new American flag which was flown over the Nation's Capitol. The flag was secured for the library by Joe Pilet through Congressman Trent Lott. It will be raised by members of Cub Scout Den No. 1, Pack 208 at 3:30 p.m.

WINNING TOUCHDOWN—Vincent Adams, No. 10, scrambles in Friday to give Hancock North Central a come from behind victory over the Lumberton Panthers as Bryant McLemore, No. 25 chases him. The Hawks were 22-20 victors. (Staff photo-Randy Ponder)

## Correction

Thursday's editions of the Sea Coast Echo identified Hancock County Circuit Clerk Henry Otis as a member of the County Election Commission. Otis reports he is not an election commissioner, but meets with that body in his capacity of Circuit Clerk.

A report on Bay St. Louis Municipal Separate School District ad valorem taxes in last Sunday's Echo indicated taxes are figured by dividing millage into assessments.

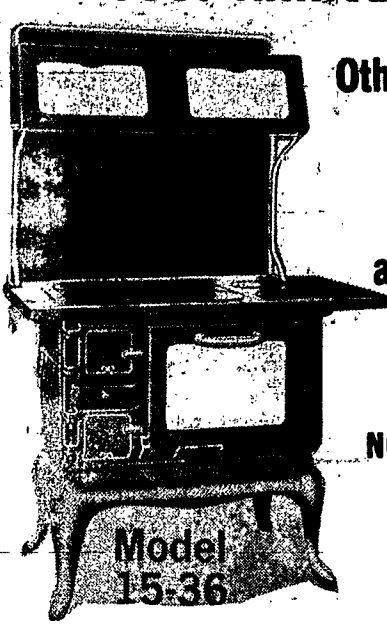

Assessor Estelle Johnston said taxes are figured by multiplying the assessment by the millage rate.

The Echo regrets these errors.

## Market analyst sees dull week

By AL GOLDMAN

Edwards Brokerage, Biloxi this past week was characterized by mixed to churning action in most important stocks and leading glimmers with some rally attempts in the big cyclical issues which dominate the Dow Industrials.

It was a dull week for market analysts both as to price changes and trading volume which dropped to a 24.8 million share daily average.

We saw little new in the market either technically or fundamentally to cause this holding together action other than normal forces of rebound after the very sharp, several-week correction of mid-September.

Last week's churning combined with several more days of the same action this week could neutralize this oversold condition and leave the market to its own devices.

The economic news last week was, on balance, favorable. However, concern over the persistent increase in interest rates remains the number one problem and it was nothing but reinforced.

A 9.75 percent prime rate is seen as only a short resting stage before we see 10 percent.

Fed funds rose and settled in the 8.75 percent range after getting up over 9 percent.

Long term bond rates got kicked up several more notches and close to 9 percent returns now available on AAA rated bonds is indeed scary.

History never exactly repeats itself, particularly

when the events are so widely publicized, but rising interest rates and a slowing economy combine to quickly conjure up the horror stories of both the bond and stock markets of 1973 and 1974.

Current news developments usually do not control market action for more than a very short time — the market classically is looking ahead some six to twelve months.

And current major market factors are so ambivalent that they are just adding to the confusion. It's nice to see that an energy bill will apparently be born finally but it does little to promote increased production or to reduce consumption, and appears inadequate for these post-embargo years.

The tax bill attempts to promote capital investment, obviously desirable, but the \$23 billion tax cut coming in time soon would, in our opinion, fan the fires of inflation.

We continue to advise a non-aggressive stance by traders and investors and see little reason to change our opinion that the 850 low of two weeks ago will be tested near term and probably fail.

That could clean out enough of the rampant speculation to set us up for a good advance before year end.

## LEGAL NOTICES

### NOTICE TO BIDDERS

Sealed bids will be received by the Hancock County School Board until Monday, October 22, 1978 at 9:00 A.M., in the Office of the Superintendent of Education, 126 Court Street, Bay St. Louis, Mississippi for the following:

**BASKETBALL SCOREBOARD FOR HANCOCK COUNTY GYMNASIUM NADEN MODEL N-698**

**109.6 YARDS OF ROBINSON NEW DAY CARPET WITH PADDING TO BE INSTALLED AT HANCOCK COUNTY CENTRAL HIGH SCHOOL.**

Specifications and bid proposal forms are on file in the Office of the Superintendent of Education, 126 Court Street and may be obtained from 8:00 A.M. to 4:00 P.M., Monday through Friday.

**PLEASE TYPE "BID EN-CLOSED FOR" ON THE FRONT OF ENVELOPE.**

The Board of Education reserves the right to reject any and all bids received and waive all informalities.

**WITNESS MY SIGNATURE, this is the 5th day of October, 1978.**

Terry Randolph  
Superintendent  
10-8, 10-15, 10-22-78

## Notes from Pearlington

More than 500 people, including many out of town guests gathered near Pearl River for one of the biggest recent events in Pearlinton, the launching of the Miss Windy G.

This was an event Mr. and Mrs. Isadore Givens and sons Wayne and Larry and their families have been waiting for six years to happen.

This 65 foot steel boat was their spare time project in the back yard for six years; it took three days to move the boat to the river.

The launching began with a ceremony by Father Hayes and Rev. Carl Wilcox. Windy Givens, granddaughter of Mr. and Mrs. Isadore Givens, broke the champagne on the boat.

Everyone enjoyed lunch on the river bank that included a cake six feet long and two feet wide decorated in the boat colors, white and green.

The cake was baked by Doris Givens, Dorothy and Trella Wilkinson with the help of Manny Wilkinson. The Givens appreciate the help of their friends in making this a successful event.

Happy Birthday to Mrs. Faye Givens from her family.

Happy Birthday to Larry Givens from his family.

The Charles B. Murphy

Football, seventh and eight grade teams lost to Pineville School at Pineville Tuesday night with a score of 28 to 6.

CBM's team had four minor injuries. The only touchdown for CBM was made by Darryl Givens.

A grand opening for the Dag-Mar restaurant is planned for Oct. 6 and everyone is invited.

The Dag-Mar restaurant and bar is located on Hwy. 604 in Pearlinton and is owned and operated by Whimpee Burke.

Happy wedding anniversary to Mr. and Mrs. Isadore Givens.

Happy Birthday to Bill Griffin, Lena Pearl Landrum, Faith Bosworth, Glen Walker, Dot Breland, Deedra Foxworth, Stacy Anderson, Ona McArthur, Cathy Carver, Billy Dorr, Bucky Reynolds.

Happy birthday to Gerald Watkins from Dianne and Lori Watkins.

Get well wishes to Mr. H. O. Smith in Slidell Hospital, to Mrs. Estelle McArthur home from the hospital and to Mr. L. C. Cuevas.

Mr. and Mrs. Elbert Walters and Scott attended a party honoring Kara Peterson on her first birthday in the home of her parents, Mr. and Mrs. Larry Peterson of Kin.

## The Ole Pastor Says

WHAT DOES IT MEAN TO "LOST"? The word "lost" is used in the Bible to describe the condition of a person without Christ - an unbeliever.

The specific purpose for which Jesus came to this earth He declares in Luke 19:10: "For the Son of man is come to seek and to save that which was lost." Being lost in sin, we are "by nature the children of wrath" - Eph. 2:1-3 - Dead to God - "dead in trespasses and in sins" - Eph. 2:1.

To be lost is to stand already condemned before God. John 3:18 declares, "He that believeth on him (Jesus) is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."

Sin alienates and separates us from God. "The wages of sin is death; but the gift of God is eternal life through our Lord Jesus Christ" - Romans 6:23. Christ is the only way to God.

To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them: For he hath made him (Jesus) to be sin for us, who knew no sin; THAT WE MIGHT BE MADE THE RIGHTEOUSNESS OF GOD IN HIM" - II Cor. 5:17-21.

The inspired scriptures very emphatically declares there is no "salvation in any other" for there is none other name (but Jesus Christ) under heaven given among men, whereby we must be saved - Acts 4:12.

Just what does it mean to be lost? Eternal darkness, separation, sorrow, remorse, anguish of soul, etc., describe the condition of the lost. You can look into eternity by reading the account of the rich man in Luke 16:19-31. He Died.

Perhaps in careless procrastination, he waited until it was suddenly too late. In hell he lifted up his eyes. Being tormented, he begged for a drop of water. In hell, the place prepared for the devil and his angels, he, at

last, became concerned about his lost loved ones at home. For the first time, this wealthy, worldly man had a missionary burden.

Some men and women are lost in religion. Others are lost without religion. It is not a light matter to be lost, without hope, and without the Savior. The paramount burden and concern of the entire sixty-six books of the Bible is for the salvation of the lost. God cares! Do you?

We are all guilty at times of procrastination. Tomorrow is a handy word, but one we should not use carelessly. We have no real promise of tomorrow. We have today. The write of the book of Hebrews reminds us often, "Today if ye will hear his voice, harden not your hearts" - Heb. 3:7-8.

Sin alienates and separates us from God. "The wages of sin is death; but the gift of God is eternal life through our Lord Jesus Christ" - Romans 6:23. Christ is the only way to God.

To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them: For he hath made him (Jesus) to be sin for us, who knew no sin; THAT WE MIGHT BE MADE THE RIGHTEOUSNESS OF GOD IN HIM" - II Cor. 5:17-21.

The inspired scriptures very emphatically declares there is no "salvation in any other" for there is none other name (but Jesus Christ) under heaven given among men, whereby we must be saved - Acts 4:12.

Just what does it mean to be lost? Eternal darkness, separation, sorrow, remorse, anguish of soul, etc., describe the condition of the lost. You can look into eternity by reading the account of the rich man in Luke 16:19-31. He Died.

Perhaps in careless procrastination, he waited until it was suddenly too late. In hell he lifted up his eyes. Being tormented, he begged for a drop of water. In hell, the place prepared for the devil and his angels, he, at

LIV ULLMAN ON ETV-Liv Ullman stars in Ingmar Bergman's "Scenes from a Marriage," to be rebroadcast on the Mississippi ETV Network at 8 p.m., Saturdays, beginning October 14. Bergman's highly acclaimed six-part series, originally produced for Swedish television, follows a marriage from placid innocence to divorce and semi-reunion.

## YOU AND YOUR PET

### GROOMING YOUR HORSE

Grooming your horse provides a number of benefits besides a good-looking mount. Grooming stimulates circulation, distributes oil from glands under the skin, and maintains muscle tone. It also gives you a chance to know your horse a little better. Properly done, a good grooming job takes at least a half hour, and is hard work. The pressure, the tendency to start with the back and work down toward the feet. Unfortunately, by the time the feet have been checked, fatigue may have set in and the temptation becomes

great to rush to finish the job. This can be a costly error: foot trouble in a horse can be an expensive illness to correct. So begin grooming with the feet while you're fresh.

To start, face your horse, lean your shoulder against his left side, and push against him. The pressure will become a cue for him to pick up his foot. Until he gets the idea, slide your hand down the leg and pull up the hoof.

Hold the hoof at the level of your knee and use a pick (a special pointed tool) to dig out all foreign matter until the entire sole becomes visible. Each hoof should be carefully cleaned so there is no debris to bruise the "frog," the soft underside of the hoof. As you work, check for a foul odor or flaking of the frog.

These are signs of thrush, a condition that develops after a horse stands in a damp, dirty stall or muddy pasture a long time. A horse with an undetected case of thrush rapidly will go lame and need veterinary attention.

After you finish the horse's feet, gather together the basic tools you will need for grooming the body:

currycomb, dandy brushes, sponges and toweling. The currycomb is used to loosen and remove dirt from the horse's coat. Start behind the ears at the left side (usually called the "near" side) and move the currycomb against the lay of the hair to bring the dirt to the surface.

Progress down the neck and toward the tail until most of the coat is free of dirt. Pay special attention to areas where riding tack rubs against the skin - behind the ears, the middle back, the middle belly and between the front legs.

For tender areas like the face, rear belly and legs below the knee, a softer brush (the dandy brush) is necessary. A stiff dandy brush can also be used to smooth out the mane and tail. After you have gone over the entire skin surface with a dandy brush again to remove any soil left behind, spread the skin's natural oil through the hair with a soft, clean, towel.

Last, wipe around the eyes and nose with a small damp sponge. Use a second sponge to wipe down the dock, or area at the base of the tail.
